Re: A.02-05-007 - Supplement to the 2002 Annual  
Earnings Assessment Proceeding To Application  
Filed May 1, 2002

On June 3, 2002, Southern California Edison Company served an Errata To The Application By Southern California Edison Company (U 338-E) In Support Of Pre-1998 Demand-Side Management, 2001 Energy Efficiency, And 2000 And 2001 Low Income Energy Efficiency Earnings Claims, And Approval Of Interruptible Load Programs Memorandum Account Balances Recorded In 2001. We were notified by the docket office that there needed to be a correction to the cover page to reflect that the document being filed was, in fact, a supplement and not an errata.

Attached, please find the corrected cover page of Southern California Edison Company and the notification by the docket office. Please update your files accordingly. My apologies for any inconvenience this may have caused.

Very truly yours,

Christa Piantadosi
